

How Do I Say This So People Get It?

I read a little factoid about Hummingbirds the other day:

Baby hummingbirds born this summer are about to navigate their first 2,000 - mile migration to Central America COMPLETELY ALONE! No parents, no GPS, no previous experience. Scientists still have no idea how these 3-gram babies know exactly where to go.

Anyone who reads this and is not stopped in their tracks in absolute awe and wonder at our Creator God who formed this small bird, is seriously deficient in the soul.

Bereft of any ability to form divine thoughts of reason.

Brain dead. No hope. I am sorry for them, but I leave them behind.

Do I seem cold and heartless?

The Law of the Point of No Return

The truth of the matter is there comes a point of no return when refusing to love the truth. God gives them over to their own depravity (Romans 1:24,26,28)

How could they possibly understand or care to understand that the only answer to our present-day dilemma is the power of the living Christ through the Holy Spirit working in and through every obedient local assembly of His Covenant People.

“Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen.”
(Ephesians 3:20-21)

How could they possibly understand? They can't.

Many Called, But Few Chosen

Our present situation and any attempt to correct or reform it by any other means is futile. This continuing chaos, destruction and dissolution of our People in their historic countries is unstoppable. It has gone too far. And if you are waiting for Jesus to return to rescue us, your wait will end in futility. My theological viewpoint is not well thought of, but when will it be realized that it's a dead dream?

The good news is, He returned centuries ago to establish His Kingdom. Therefore, all Power and Authority resides in Him and He dwells among His People in their local church assemblies. Every church body is a Temple of the indwelling, omnipotent Spirit of the living God. (Ephesians 2:21-22)

Do you understand? The power of God resides in every New Covenant local assembly. We, as His Covenant People, possess the opportunity to take dominion and advance and manifest His Kingdom – NOW.

Do you get it? Because this fact should consume you body, soul and spirit to seek first His face, on your knees. It should compel you with a passion to cry out, “Here I am, send me.” If that speaks to you loud and clear, you have been called and chosen.

Take Action - NOW

Be filled with the Spirit. Launch out. Live by faith. Study to show yourself approved. Start working toward a definite purpose of gathering your family, friends, neighbors, workmates, schoolmates. Make a plan and take the first step.

There are many good resources out there to help you. Books and online Bible video teaching and training courses like the Bible Mastery Boot Camp.

Here’s your chance. Let the living God fill you with His power and passion to get the truth out there. Let him fill you with boldness to put your faith into action.

You may experience temporary defeat, but keep going anyway. Keep on asking, keep on seeking, keep on knocking. If you do, here is Jesus’ promise: you will receive, you will find, and the door will be opened to you.

At the end of your earthly journey, when you take your final breath and transition to that unseen Kingdom you can confidently say, “I have fought the good fight and kept the faith.” Receive your reward!

Do you love the Lord your God? Do you love your kindred People? Do you love the truth? Would you die for the cause of the sacred Covenant Gospel?

If your answers are “YES,” then you are ready. Now, take the first step forward.
