

## **The Great Deception Takes a Leap Forward: What Will Your Response Be?**

Are you aware of what has transpired recently? It is a significant leap into a greater darkness that is poised to descend upon America.

“1000 U.S. Evangelical pastors were recently commissioned as ‘Ambassadors of Israel’ while visiting Israel in a trip paid for by the Israeli government to receive training on how to ‘fight antisemitism’ in the U.S. ....

“Earlier this week 1000 U.S. pastors completed their training to become ‘Ambassadors of Israel’ through a program run by the group ‘Friends of Zion’ inside Israel. Their trip to Israel was funded by the government of Israel, and at the completion of their indoctrination the Prime Minister of Israel, Benjamin Netanyahu, signed their certificates to become foreign agents inside the U.S. promoting Zionism. ....

“The program was so successful, that 10,000 more U.S. Christian pastors are now being funded to follow them within the next 36 months.” – Brian Shilhavy, [Health Impact News](#)

Mike Huckabee, current U.S. Ambassador to Israel, called on these Judeo-Christian pastors to be “Ambassadors for Christ.” In other words, “Ambassadors for Israel” is one and the same as “Ambassadors for Christ.”

### **The Purpose**

Why did the State of Israel organize and fund 1000 “Christian” pastors to travel and be wined and dined? It was dubbed as “a ground breaking initiative to combat antisemitism and reach the young of the world.” As noted above, recruitment of 10,000 more pastors to join the ranks to combat “antisemitism” is in the works.

The goal is to set their pulpits aflame for the cause of supporting and protecting the Jews.

### **The Implications**

So, why has this massive effort to recruit these pastors come to pass? In my opinion, to set the stage for future antisemitic laws federally and state to state. I expect this will come to pass in 2026. In order to accomplish this, “Christian” pastors and their flocks will advance and favor the cause of these antisemitic laws to arrest, prosecute, fine or imprison those who speak out against the Jews and the corrupt, murderous State of Israel. World Jewry is about to make its long-planned move to bring the nations of the true Covenant People into absolute tyrannical subjection. But they need legal protection first.

## **Your Response?**

In light of these recent events and the advancing greater darkness upon our lands, what is your response? Will you be silent? You who know the truth about who is who and the deception that is pervasive, will you be a witness for the sake of Jesus Christ and the truth? Do you know how to defend the sacred faith once handed down to the saints? Are you prompted to show yourself approved, rightly dividing the Word of the Living God?

Get equipped to know the written Word so you are able to articulate it. Are you not God’s chosen to be the light for our People, or will you hide the light of the truth under cover?

You have the resources right here to grow in your mastery of the Bible.
