

The Coming Enforcement of Antisemitism

In my last post, ([“The Great Deception Takes a Leap Forward”](#)), I discussed the commission of thousands of American pastors sent back to their pulpits to preach that we must, at all costs, support and defend the State of Israeli. Of course, “antisemitism” is front and center.

Bibli Issues a Threat

On the heels of that commission of these useful idiotic pastors comes an open threat to all western nations from Israeli PM, [Netanyahu](#):

"I demand that Western governments do what is necessary to fight antisemitism and provide the required safety and security for Jewish communities worldwide. They would be well-advised to heed our warnings. I demand action from them – now."¹

Sounds like a threat to me. What does that mean? Unless you have been hiding under a rock, world Jewry has every western nation under its control and power. Basically, the Zionist Jews can do whatever they want. For example, they could order the collapse of the world economy in a heartbeat. They could let the Mossad loose to take out infrastructures (electrical grid, internet, gas and oil) and severely cripple every country. Such a threat could come in any form.

Surveillance and Enforcement

I would expect Jewish watch dog organizations, such as the Antidefamation League (ADL), to step up monitoring through Israeli-controlled surveillance systems. Social media and most media outlets will be tightly monitored.

For enforcement, more federal and state legislation protecting Jews and the “State of Israel” will be forthcoming with legal force – arrests, trials, fines or imprisonment will be on the horizon.

Enter Now the Noahide Laws

You may have heard of the Noahide Laws already on the books as Public Law. Below is the Noahide endorsement of law made by Congress of the Bush Sr. Administration in 1991:

105 STAT. 44 PUBLIC LAW 102-14-MAR. 20,1991

Public Law 102-14

102d Congress

Joint Resolution

Mar. 20. 1991

[H.J Res 104] To designate March 26. 1991, as "Education Day. U. S. A."

"Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our, great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;

“Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

“Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

“Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

“Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991:

Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws: and

“Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state:

“Now, therefore, be it Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement, is designated as "Education Day. U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities."

PUBLIC LAW 102-14-MAR. 20,1991 105 STAT. 45

Approved March 20, 1991

LEGISLATIVE HISTORY-H.J Res 104

CONGRESSIONAL RECORD. Vol 137. (1991)

Mar 5. considered and passed House

Mar 7. considered and passed Senate

Masked as "Education Day," these laws claimed to be the "the edifice of civilization" and the basis for "moral and ethical values" is patently false. How the Congress and the President could sign this fabrication of our laws and culture into law bespeaks of gross ignorance, or evidence of complete control by the Jews.

Here are these **THE SEVEN NOAHIDE LAWS:**

1. Avodah Zarah: **Prohibition on idolatry.**
2. Birchah HaShem: **Prohibition on blasphemy and cursing the Name of G-d.**
3. Shefichah Damim: Prohibition on murder.
4. Gezel: Prohibition on robbery and theft.
5. Gilui Arayot: Prohibition on immorality and forbidden sexual relations.
6. Ever Min HaChay: Prohibition on removing and eating a limb from a live animal.

7. Dinim: **Requirement to establish a justice system and courts of law to enforce the other 6 laws.**

The Jews and the Talmud consider worshipping Jesus Christ as “idolatry” and “blasphemy.” The Talmud states the penalty for disobedience: “One additional element of greater severity is that violation of any one of the seven laws subjects the Noahide to capital punishment by **decapitation**. (Sanh. 56A, 57A)” (reference too, Sukkah 52a).

“A heathen (non-Jew) is executed for the violation of the seven Noachian laws; the Divine Law having revealed this of one [murder], it applies to all (Noachian laws)” - (Tractate Sanhedrin Folio 57a - Soncino Babylonian Talmud, 1935 - 1948).

Remember, these so-called laws are now Public Law in the USA. Again, this Public Law will most likely result in law number seven: **Requirement to establish a justice system and courts of law to enforce the other 6 laws.**

Enforcement is coming.

The Jew's Role

“The Jew has a crucial role to play in this. He cannot be a bystander, remaining aloof from the world's conduct. Every Jew has the obligation to ensure that all the people of the world observe the [Seven Noachide Laws](#).”

“It is through the observance of the Seven Noachide Laws that the entire world becomes a decent, productive place, a fitting receptacle for the Divine.”²

Here's the Kicker

[Benjamin Netanyahu](#) now says that had it not been for the Jews, USA would not exist. “**We brought you into this world and we can take you out....**”³

So, we can talk all day about the problems. But what are you going to do about them? Sit back and be silent? Wring your hands in fear? Do you have a passion for the Covenant People of our race to know the truth about the Bible, what it says and means? Do you want to expose the deception out there about who is who?

If so, and you want to be equipped, consider the books and the Bible Mastery Boot Camp on our website, YourBiblicalHeritage.com.
